‘From the Pastoral Plan’— full copy on website.

‘Background

Our faith communities belong to the Newcastle Deanery of the Catholic Diocese of Maitland-Newcastle and the Blackbutt Pastoral Region. We share one parish priest, one Parish Pastoral Council and one vision.

A Vision

We wish to create a single, vibrant and nurturing parish community where each parishioner feels a true sense of belonging, a community that provides opportunities, and encouragement, for all to participate in as many aspects of parish life as possible.

Fr Greg Arnold, Parish Priest

The Pastoral Plan

The primary focus of the year ahead will be for each of our Mass centres to create a welcoming community which increases a sense of belonging. We, in our faith communities aim to reach out to all who worship with us by making them feel welcome, whether visitor, new or longstanding parishioner.

Welcoming Ministry

Those involved in welcoming ministry will:

Work in collaboration with parish clergy and the pastoral associate, keeping them informed of parishioners’ social and/or pastoral needs, introduce new parishioners to clergy and other members of our community, encouraging newcomers to complete a ‘getting to know you’ card and arrange a home visit to welcome them to our parish.’
