

Lynn Overhill has featured in *The Sydney Morning Herald*, *Dogs Life* and *Urban Animal* magazines, as well as *Mornings with Kerri-Anne* and *Pet Talk Radio*.

Her many media appearances, down-to-earth attitude, compassionate nature and wonderful gift for communicating with animals and the spirit world has made her one of Australia's most popular animal communicators.

Join Lynn in one of her workshops and open your eyes to a whole new world.

Based in Sydney, Lynn has been providing animal communication services for over 12 years. She is also available for private and phone readings.

2007 Sydney Workshops

Introduction to Animal Communication

A full day of hands-on techniques, opportunities for validation of your natural telepathic animal communication skills, meditation techniques, and preparation for the **Advanced Animal Communication Workshop** in October 2007. **Perfect for beginners.** Included in the **Introduction** Workshops are photo readings and readings with live animals, as well as an opportunity to learn more about shape shifting/blending with animals' energetic fields.

Advanced Animal Communication

More hands-on techniques and opportunities for validation of your natural telepathic animal communication skills, as well as meditation techniques. Perfect for those who have a reasonable command of the basic techniques and would like to improve their skills using more advanced techniques. You must have completed one of the **Introduction to Animal Communication Workshops** to attend this workshop.

Spiritual Awareness/Channelling, Spirit Guides, Nature Spirits and Animal Totems

Learn a range of clairvoyant, meditation and channelling skills in a supportive and friendly environment. Also discover how to channel spirit guides, nature spirits, animal totems and others, as well as in-depth meditation techniques and spiritual awareness. This full-day workshop of hands-on techniques is suited to those who would like to learn how to access their higher-self, speak to their spirit guides, direct questions to receive the highest spiritual answer, and receive messages of significance. **Suitable for all levels and open to everyone.**
