---

Victorian Little Athletics in conjunction with Athletics Victoria will again be involved in the Zatopek 10 Athletic Meeting at Olympic Park on Thursday 11 December, 2008.

There will be Australian Olympians in attendance conducting an On Track Clinic between 6.30 and 7.10pm, whilst those Relays teams who would like a final hitout prior to the State Relay Championships have an opportunity to run in a 4x100m between 6.50 and 7.25pm.

After this you can sit back and watch Australia's best athletes in a variety of events culminating in Craig Mottram running the Zatopek 10k which doubles as the Australian Championship.

**Registered members of Little Athletics are admitted FREE OF CHARGE in Centre Uniform.**

Attached is a poster, which we would appreciate you advertising at your Centre along with a program of events for the evening.

Come along and enjoy the best athletes in Australia under lights at Olympic Park.
