Skid fitted (circle) YES NO

Conditions:

Any load that is **4.6mtrs** or higher, which is to travel under the **<u>trolley wire</u>** requires an escort. Any high load that is **5mtrs** or above is required to have a skid board arrangement attached to the top of the load to minimise damage to the network if a contact occurs.

If you are unsure on where the trolley bus wires are, check with Wellington Cable Car Ltd

I/We

- Declare that the above particulars including date, time and maximum height are correct.
- Agree to take all due care irrespective of whether or not the load is escorted.
- I/We agree to indemnify and keep indemnified Transfield Services and Wellington Cable Car Limited against any damage caused or sustained directly or wholly by me/us.
- Understand that there is a charge for the Escort service and the rates listed below

I/we understand and agree to the above conditions.

The charges for this service are calculated on hours worked and plant used, the rates are listed below

Normal working hours 0730-1630 @ $370.30 plus GST per hour
All other times @ $476.10 plus GST per hour
